Porschette Evans

A Message To Porschette From Her Family

Dear Porcia,
No matter what happens I will always love you. Your niece asks about you everyday. When I am in DC to feed the birds, they all have left the city, even the gulls. Do you remember how Princess always got in the bed with you? (smile) I could never figure out how she opened your bedroom door. I miss you so much. I have dark brown hair now. Please come home, we all miss you very much. Keep praying because all of us pray without ceasing.
