

Come Home **Emillie Hoyt**

A Message To Emillie From Her Family

Dear Em,

I pray you see this, or someone who knows your whereabouts, so we can learn what has become of you. Aaron, Zakk and I, along with many others who have been searching for you, value, love and miss you very much. You have new, additional family that need to know your generous heart, intelligent mind and beautiful soul. Please let us share more of your life.

Em, you are always in my heart and prayers. I loved you before you were born. I will never stop loving you. I will not quit searching for you. Please contact us. Love always, Mom
